Plans for Dissemination

Please explain how you intend to feed project outputs back into dietetics. The Trustees will require outcomes to be disseminated in a way which benefits the practice of dietetics as widely as possible. This may be through direct distribution to the profession or to be submitted to a peer reviewed journal such as the Journal of Human Nutrition and Dietetics. Other publications will be considered if submission to a peer reviewed journal is not appropriate. It should also feed into profession wide tools such as PEN.

EDI	
The BDA is committed to demonstrating continuous improvement in the areas of Equality, Diversity and Inclusion (EDI). Please explain how you have considered and created adaptations for EDI in relation to this project.	
Climate change	
The BDA is committed to reducing negative impact upon the Climate and working towards being net zero. Please explain considerations and adaptations you have made in this area.	
Agreement of terms <i>(please add a tick or a yes to show you agree to each term)</i>	
I have read the terms and conditions (available on the BDA website) and if my application is successful, I agree to abide by them. I shall be actively engaged in, or responsible for the project.	
If at any time the project does not look as if it will be achieving the completion date, I understand that it is my responsibility to inform the British Dietetic Association and advise of the new completion date.	
I understand that if the funding from the trustees is not used within an agreed timeframe, then it may be withdrawn.	
I undertake to submit regular progress reports and inform the trustees of delays which may affect the funding stream.	
I agree to complete the 6 monthly project update form and/or project completion form and submit to get@bda.uk.com promptly.	
I agree to work with the GET Team to help promote, support and raise awareness of the GET Trust and to reference the source of the Grant when appropriate within the project lifecycle.
